

Instructions for Red Devon USA DNA testing in MyVGL

All calves born after 06/01/2014 must be parent verified

1. Go to <http://www.vgl.ucdavis.edu/myvgl> and login or create a new account
2. Click Order Tests in top menu bar, this Cattle in second menu bar.

The screenshot shows the 'Cattle Test Form' on the UC Davis Veterinary Genetics Laboratory website. The page header includes the UC Davis logo and navigation menus. The form is titled 'Cattle Test Form' and includes a 'More Information' link. A callout box points to the 'Registry Affiliation (optional)' section, stating 'Check to enable registry affiliation.' The form has two sections for registry affiliations: 'Primary Registry' and 'Secondary Registry'. Each section lists several registries with checkboxes: ADCA (DEX), Heritage Dexter Cattle Registry (HCA), Kerry Cattle Association (KCC), Legacy Group (LEG), PDCA (PDC), and Red Devon USA (DCA). Callout boxes explain that users should 'Select one primary registry affiliation' and 'Select additional affiliations (if applicable)'. Below the registry sections is the 'Cattle Information' section, which includes fields for Animal Name, Registration #, Sex, Date of Birth (Month, Day, Year), State of Birth, Breed, and Purity. Asterisks indicate required fields.

3. Complete the form. Note that fields with a * are required
4. At the bottom of the page, check Terms and Conditions box, and click Save.
5. You will have the option to order more tests or Proceed to Checkout.
6. Payment may be made online via credit card or sent with the samples.
 - a. If you pay online, you will receive payment confirmation and sample submission forms by email. These should arrive within 10 minutes of completing payment. Please check your spam folder.
 - b. If you choose to send payment, you will have the option to print or email the sample submission forms.
7. Follow instruction on sample submission form to collect and ship the samples
